

Recognizing lines of symmetry

**Connect**

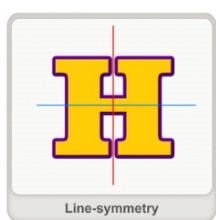

## I do - examples

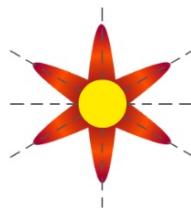

## I do - examples

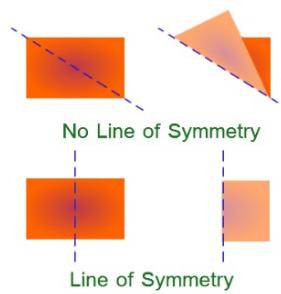

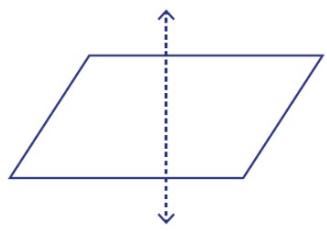

## I do - examples - multiple

Line-symmetry

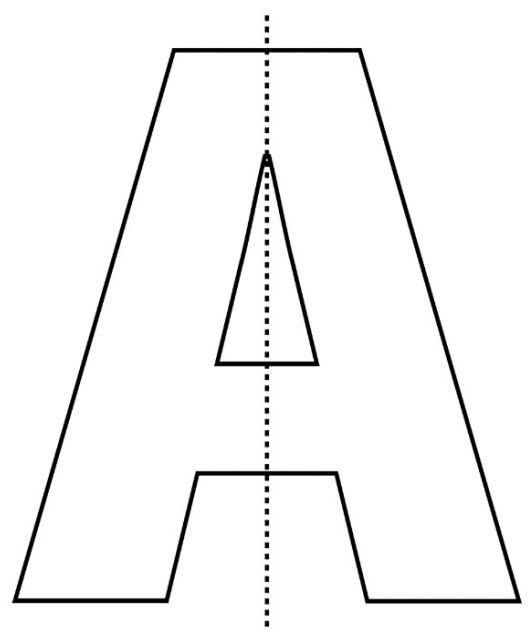

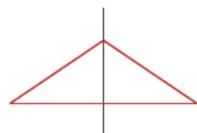

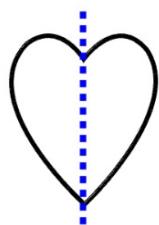

## I do - non-examples

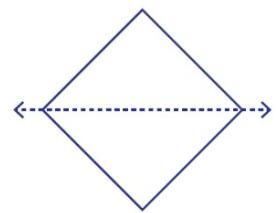

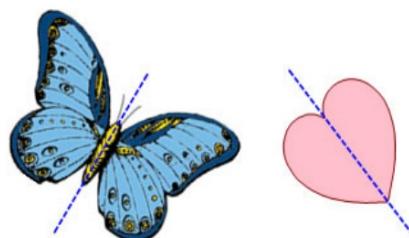

No Line of Symmetry

Line of Symmetry

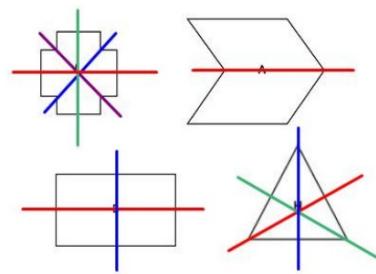

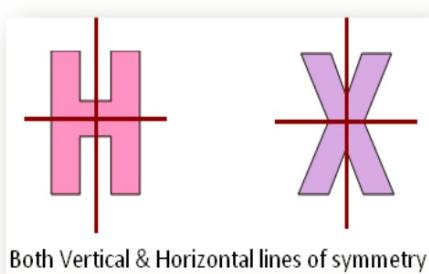

## We do - examples

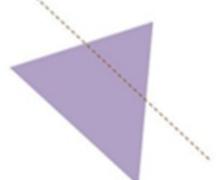

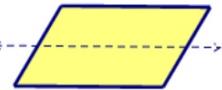

## We do - examples

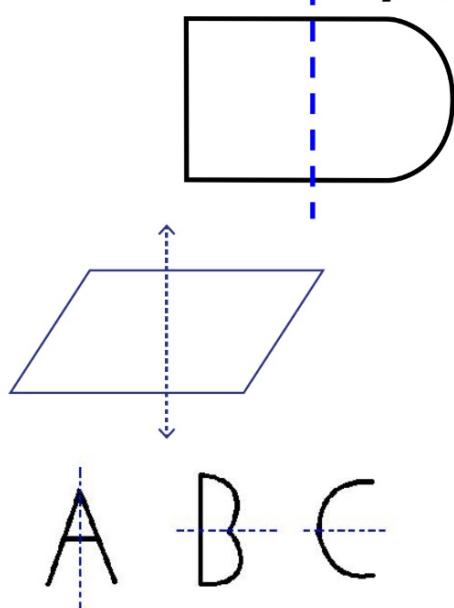

## We do - examples - multiple

## We do - non-examples

NON - Example #1	NON - Example #2	NON - Example #3
		

You do together  
on whiteboard

**Is this a line of  
symmetry or not?**

You do alone on  
index card
